

Information & FAQs

Booking & Contact

Want to bring the Star Truck to your school?

Send an email to joinmint@ams.at – ideally with the completed checklist attached:
<https://www.join-mint.at/star-truck/>

Programme

- „Mission Future“: approx. 2 teaching units
- „Mission Future + Workshop“: approx. 3 teaching units (workshop only available in combination)

On-site schedule

- Class is divided into 5 groups
- Rotation through 5 technology stations on the ground floor
- Joint programme session on the upper floor
- For longer slots: additional workshop (choose 1 of 4)
→ Workshop information: <https://www.join-mint.at/wp-content/uploads/2026/02/Titel-und-Kurzbeschreibungen-Workshops.pdf>

Target groups & content

- 3 levels depending on age & prior STEM experience
- Content tailored to pupils

Preparation & follow-up

Materials (download) > <https://www.join-mint.at/downloads/>

- Information on content, technologies & curriculum links
- Teaching materials for preparation
- Reflection materials for follow-up

Additional preparation for teachers

- Training courses via PH OÖ & PHDL Linz
- Content:
 - > STEM economy & career fields in Upper Austria
 - > STEM landscape, initiatives & progression opportunities
 - > Use in lessons & booking
 - > Career prospects in the STEM sector

Follow-up with career guidance:

Bookable via the AMS Career information centres (BIZ)

Organisation & General Conditions

- Max. 30 people in the truck at any one time
- A teacher must be present at all times (duty of supervision)
- Visits are only possible during the booked time slot (no open access)

Punctuality

Please notify us in advance of any delays or early departures

Breaks

Depend on the programme → please ensure in advance that students can remain in the truck (e.g. bring a snack)

Accessibility / Special Needs

Please notify us at the time of booking → to allow coaches to better prepare

On-site – Infrastructure

A cloakroom, restrooms, and drinking water are provided by the host school

If your school is the host:

- Provide access/keys to teachers' restrooms
- Clarify which restrooms external students are permitted to use
- If the Star Truck replacement program is required (e.g. due to technical faults), please provide a replacement classroom or room, including power and projector connections, plus a projection screen or Smartboard.
